1. [redacted] Comment. The 35th Eng. Regt of the Third Gds Mecz Army which, [redacted] Schumke Lake, cannot be confirmed there by motor vehicle [redacted] which are assigned to engineer units of the GSFG. In connection with a shipment which went from Magdeburg to Kammersdorf on 14 September, it is possible that elements of the 36th Pan Bridge Regt arrived there for special exercises. 25X1

4. [redacted] Comment. Between 20 April and 11 September, units of the unidentified engineer regiment of the GSFG from Bernburg bivouacked in the Hege Lake area and practiced with new amphibious vehicles with tracks which had arrived from the USSR on 15 June. [redacted]. According to available information, Plant 204 in Kryukov produces railroad cars. It cannot be determined that the new amphibious vehicles came from this plant. 25X1
